New Therapy Room!

In October I took on a new therapy room in the Beauty Box salon in Cross Street, Basingstoke. It's an exciting venture for me as it's a lovely place for me to practice in and it also opens my treatments up to a wider geographical area!

Beauty Box offers a haven of tranquility with beautiful treatment rooms and a warm welcome to all ... so why not book your next treatment there!

I'm at beauty Box on Mondays and Wednesdays from 10am to 7pm. I also still treat in Bramley on Tuesday afternoons 2.30 to 6pm, Thursdays 10am to 7pm and Fridays 10am to 6pm.

One of the luxurious treatment rooms at Beauty Box in Cross Street, Basingstoke.

On-Site Massage

On-Site massage allows companies to provide wellbeing for their staff. I can provide a half or full day on-site service, with 20-minute appointments. Rates are competitive and companies can either provide it free to staff or re-charge them part or all of the treatment cost. It's an affordable way for companies to provide wellbeing in the workplace. I can also help arrange Pilates and Yoga sessions for a complete wellbeing day!

If your company might be interested please pass them my details, or send me their details and I will contact them!

£5 Discount Offer!

Present this newsletter at your next appointment with Tranquil by Nature and get £5.00 off any treatment!

Why not book yourself in for a relaxing massage to banish Christmas and New year stress, or a deep tissue massage to ease aching muscles from your New Year Gym resolution!

This offer is valid until 31st March 2008!

(Only one discount per person; cannot be used with any other offers or with gift vouchers)

Buy Gift Vouchers online!

My website has been up and running for about 6-months now, and apart from treatment details and prices, you can also buy gift vouchers online!

Simply choose the value or treatment you want to buy and pay online safely and securely through PayPal. You don't need a PayPal account to do this – simply enter your debit or credit card details ... and that next present is sorted!
